Dear Ms Maxwell,

RE: Proposed amendments to the MANDUS Constitution

I am writing as a MANDUS member under section 62.2.1 of the MANDUS Constitution to propose that MANDUS amend section 44.1.1.1 of the MANDUS Constitution in the form annexed to this letter.

The amendment is suggested in order to expand the pool of possible applicants for the MANDUS Victoria President position, rather than limiting it to the very small number of people who have previously served in MANDUS Victoria. I believe that previous MANDUS Victoria experience specifically is not necessary to serve effectively as MANDUS Victoria President, and that there are many students with alternative leadership experience who could successfully fulfill the role.

Annexed to this letter are:

1. ANNEXURE 1: Signatures of 20 MANDUS members in support of this proposal
2. Proposed amendment to section 44.1.1.1
3. Explanation of Amendment

Yours sincerely,

Antonia Watson
